

Prompt List – Publishing Blog

Having trouble getting those creative juices flowing? Here's a list of prompts to get you started!

- Libraries and access to knowledge and culture
- In defence of ____: write about a genre or form of writing you think is misrepresented or has a poor reputation (fanfiction, new adult, etc.)
- The ethical considerations of writing characters from marginalised communities
- Issues in academic publishing (e.g., open access)
- Translated texts and different cultural perspectives
- Discuss recent controversy in publishing
- A trope that you love (or hate!)
- Writing challenges (e.g., NaNoWriMo)
- Tell us about a book you think everyone should read and why.
- Books or areas of publishing with strong/weak representation
- Literary awards: their issues, implications and representativeness
- Emerging trends in the publishing industry
- Have you had some interesting learning experiences in your career as a writer or in the publishing industry? Share your wisdom!
